An introduction to Pottery Pots

At Pottery Pots, we believe that every space deserves a touch of timeless beauty. Our collections are designed with a simple philosophy in mind: creating planters that are both functional and inspiring. From minimalistic basics to bold statement pieces, our assortment offers a wide variety of designs, sizes, and finishes to complement any style, indoors and outdoors.

Crafted from durable materials such as Fiberstone, our pots are made to last. Whether you are a landscaper, interior designer, retailer, or plant enthusiast, Pottery Pots helps you bring nature closer with products that combine practicality, quality, and aesthetics.

This lookbook is a celebration of that vision. Here, we showcase a selection of our most loved collections and highlight the versatility of our designs in beautiful settings. Let yourself be inspired, and discover how Pottery Pots can help create spaces where design and nature come together seamlessly.

Cement & Stone

Jola High L (P3128-68-97), Diorite Grey

The Cement & Stone collection features both familiar and new planter designs - finished in two distinct textures. The washed beige resembles freshly plastered walls, while the diorite grey shows the depth and variation of natural stone. With their clean and solid look, these planters bring a strong, unified feel to any garden or interior space.

Enkianthus perulatus M (F1028-180-91)
MT. Francis XS (P3124-24-97), Diorite Grey

As the name already mentions, the robust Mountain collection is inspired by the beauty of the world's mountain landscapes. Textured lines and natural structure give each piece an authentic, earthy character, while durable ficonstone ensures lasting strength. With these planters, the rustic charm of the mountains becomes part of any space.

Ridged

Defined by finely ribbed surfaces, the Ridged Collection combines strength with elegance in a timeless design. The refined texture adds depth without overwhelming, allowing the design to quietly command attention. Distinctive in texture and form, these pieces bring character and create a captivating focal point in any indoor or outdoor setting.

Bohemian

This collection embraces organic shapes and earthy textures with a relaxed, natural feel. Crafted from two eco-conscious materials: bamboo and straw grass.

Zayn XS (T4101-42-BB), Bamboo

These planters are rich in natural charm and craftsmanship, capturing the essence of bohemian aesthetics. Through a unique process, traditionally woven baskets are reinforced with ficonstone on the inside, transforming them into strong and functional planters.

Urban

We like to think of the Urban Collection as what happens when Rough meets Jumbo. Bold in presence yet versatile in style, these medium to oversized planters instantly brighten any space and become true eye-catchers. Available in three iconic Pottery Pots shapes - the Orb, the Patt, and the Charlie's - they feature a distinctive concrete finish that works beautifully both indoors and outdoors.
